Resident + Leasing portals

TRANSACT

Rent/HOA Payments

Enjoy lightning-fast rent/HOA payment processing, with multiple payment options available.

AP Payments

Electronify your AP payments with the flexibility to pay suppliers, residents, and owners via ACH, virtual credit card, or wire in one unified system.

Security Deposit Management

Collect, store, manage, and refund security deposits while creating efficiencies in traditionally manual processes.

Banking / Treasury

Instant account opening with pass-through FDIC insurance, plus cash flow visibility through ledgering and treasury management.

Digital Banking Wallets

Give residents a digital bank account with an issued card to spend and pay every property in real time.

Resident & Utility Billing

Simplify resident and utility billing to maximize revenue. Convergent billing provides clear, concise PDF statements delivered electronically or by mail.

ENGAGE

Rewards & Credit Reporting

Incentivize positive behavior and boost satisfaction. Residents are rewarded for on-time payments, renewals, reviews, and enable credit reporting.

Messaging / Announcement / Surveys

Streamline resident inquiries, create company-wide announcements, centralize communication, reduce response times, and improve resident satisfaction.

Maintenance Requests

Instant account opening with pass-through FDIC insurance, plus cash flow visibility through ledgering and treasury management.

Documents Renewals & E-sign

Organize documents, streamline sending, automate renewals, and sign docs electronically.

Digital Leasing

Modernize, Personalize, and digitize leasing with online and integrated availability, guest cards, applications, screening and lease Signing.

Websites

We design and deliver beautiful, customizable property websites that are fully integrated with Prisma's leasing tools.
